Park Valley, Utah

Subject: Extension of Time for Transfer, Bonneville Quarries, Inc., Green Beetle Mine, M0030017, Box Elder County, Utah

Dear Mr. Larsen:

This letter is in response to your request for an extension of time to complete the permitting and bond work for the Green Beetle Quarry. Our records indicate that Bonneville Quarries, Inc. is the permit holder for this site and they are responsible for maintaining the permit and bond. We will copy this letter to Mr. William Bown so that he is aware of the requirements and timeframes that need to be met with regard to the Green Beetle Quarry.

We will grant an extension till February 15, 2007 as requested. At that time the permitting issues must be resolved and a reclamation bond posted. We have enclosed a copy of the transfer form (MR-TRS) so that the permit can be transferred from Bonneville Quarries to Park Valley Quartzite. If the permit has not been transferred by that time, we will expect Bonneville Quarries, Inc. to provide the bond necessary to complete reclamation of the site.

If you have questions about the transfer process please call Lynn Kunzler at 801-538-5310 or if you have questions about the bond process please call Beth Ericksen at (801) 538-5318.

Sincerely,

Daron R. Haddock
Permit Supervisor
Minerals Regulatory Program

Dear Mr. Haddock,

I'm writing in regards to the permit or bond on the Green Beetle Quarry.

We need an extension of time until Feb. 15 to give us sufficient time to resolve remaining issues with Kunzler Ranch and Bonneville Quarries.

We want all issues resolved before taking over possession.

We would appreciate it if you would grant us this time.

Thank you,
Park Valley Quartzite
Royce Larsen
